

Have a question about resource development?

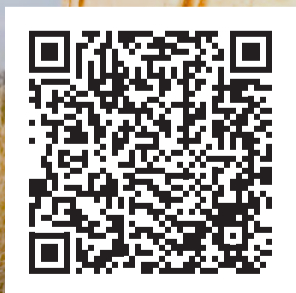

Come along to the free community drop-in session

This is a great opportunity to talk to someone in-person about enquiries or concerns associated with the resources industry, including:

- land access requirements
- dispute resolution
- environmental management
- mining and gas activities
- the Queensland Exploration Program

Representatives from the Department of Resources, Department of Environment and Science, Land Access Ombudsman and the GasFields Commission Queensland will all be available to talk with you.

If you can't make it to our drop-in session, please contact the Department of Resources' Resource Community Infoline on **13 71 07** or email resources.info@resources.qld.gov.au where we can help answer any questions.
